

Eastman Auto & Power Ltd., Collaborates with Shikhar Dhawan Foundation to Promote Environmental Sustainability

- Sowing seeds today for a cleaner, healthier tomorrow

New Delhi, 5th September 2025: In a significant step towards fostering environmental sustainability, Eastman Auto & Power Limited has partnered with the Shikhar Dhawan Foundation to organize a tree plantation drive at IFFCO Chowk, Gurgaon. The initiative forms part of Eastman's ongoing commitment to ecological balance and conservation under its CSR policy.

Eastman Auto & Power Limited is dedicated to ensuring environmental sustainability, maintaining ecological balance, conserving natural resources, and preserving the quality of soil, air, and water. This plantation drive aligns directly with the company's Environment and Sustainability focus area under its CSR framework.

The drive covered the plantation of 500 trees by Eastman employees, aimed at enhancing green cover, improving air quality, and contributing to biodiversity in the region. Beyond planting, the initiative seeks to raise awareness about environmental responsibility among local communities and encourage individuals to take small yet impactful steps toward protecting and preserving our planet.

Mr. Shekhar Singal, Managing Director, Eastman Auto & Power Limited, said: *"Our partnership with the Shikhar Dhawan Foundation reflects our unwavering belief that business growth and environmental responsibility must progress together. This drive is not just about planting trees, but about cultivating a mindset of sustainability within the community."*

Mrs. Anshita Gupta, CEO, The Da One Group, added: *"At the Shikhar Dhawan Foundation, we firmly believe that meaningful impact begins with collective action. This collaboration with Eastman Auto & Power Limited reinforces our vision of building a greener tomorrow and motivating communities to embrace sustainability in their everyday lives."*

This plantation drive is part of Eastman Auto & Power Limited's broader CSR vision to integrate sustainability into every aspect of its operations. Beyond solar energy solutions, Eastman actively undertakes initiatives that protect the environment, empower communities, and promote long-term ecological health. The company remains committed to building a cleaner, greener, and more sustainable future for generations to come.

About - Eastman Auto & Power Ltd: Eastman Auto & Power Limited (EAPL) is a leading player in the energy transition space, offering innovative solutions across energy generation, storage, and utilization. The company operates in three key verticals: LastMile E-Mobility, Solar Solutions, and Continued Energy Solutions. Eastman delivers a wide range of technology-driven products, including energy storage systems and power conversion solutions designed for solar and backup applications. With a strong manufacturing base and an expanding global footprint, the company is committed to driving clean, accessible, and reliable energy solutions. Backed by a deep-rooted distribution and service network, Eastman partners with OEMs and end users to deliver seamless energy experiences. Through continuous innovation and customer-centricity, the company is helping accelerate the shift toward sustainable and self-reliant energy ecosystems — both in India and internationally.
